January 2012

Positive Images UK Ltd is a printing Company based in Mitcham, Surrey that offers lithographic, digital, large format and direct mail services.

We are aware of the impact our company has on the environment and are committed to monitoring and reducing our carbon footprint by 15% over the next 3 years.

To achieve the goals that we have set we will:

Record and monitor our gas, electric, and water usage. Identify and implement savings where possible.

Meet regularly with our suppliers to ensure we are purchasing effectively to meet our targets.

Work with our waste carriers ensure that all waste is disposed of in regulation with the environment agency and all paperwork is kept for a minimum of 3 years.

Set out monthly department meetings to engage and encourage all staff to contribute to the environmental goals we set to achieve.

Publish our environmental results regularly to our staff, customers and suppliers via our website and newsletters.

A full review of all practises will be carried out annually to address new products and internal best practises.
